REAL YELP REVIEWS

"These guys are top notch. A great service that helps pet owners get through a difficult time. It's obvious they care about what they're doing. Highly recommended."  
- Mike L., 8/4/2017

Thank you so much Gateway!  
Amazing customer service!  
Wonderful urn options, clay paw prints for your Christmas tree, and many other options! The best place in the Inland Empire!!  
-Lou T., 11/3/2018

Angeles  
County*

## ● Pre-Need Arrangements

You may pay for your pet's cremation or burial beforehand so when the time comes, arrangements are already made.

## ● Cremation With Burial

Includes cremation plot for up to eight cremated pets and a key to the front gate.

## ● Pet Burial Only

Maintenance fee, opening and closing of grave site, a small service, flower vase, and key to the front gate. A marker can also be purchased for an additional fee.

"Very nice and professional place to take your pet for cremation. They did a wonderful job with the box and engraved name plate, the clay paw print was the best and they give you a stand for it, the poems were really nice and touching and i also payed extra for ink paw prints on a separate paper. I would highly recommend this establishment and want to thank them with making sure my loved pet was taken care of."

- Lolo L., Moreno Valley
