"I had to say goodbye to my cat Rex and called Gateways the same day, they were incredibly kind, gentle, and helped me right away. They treated Rex with so much care and made a really hard day a little easier. Their prices were very reasonable too, which I really appreciated. I'm so grateful for how they handled everything with compassion and respect." - Viviana N., 8/3/2025

"I love this place. Staff is friendly and they have a lot of varieties of urn's to pick from." - Vanessa F., 12/3/2025
